

Dožínky Front Yard Decorating Contest

With so much uncertainty during this pandemic, we want to incorporate a little something to make people smile while enjoying something in a safe and impactful manner.

We are inviting members of the New Prague community to decorate their front yards and homes using various items you find locally and get creative! By doing so, you bring out a positive feeling to our city and community. Our hope is that people will enjoy viewing these homes while out for a walk or drive and have a positive outlook that things will get better with time.

Contest judging will be done by various members of the local community. They will be judging based on creativity, originality, spirit and completeness while staying in line with the selected theme. The winner will receive \$150 in New Prague Czechs from the New Prague Chamber of Commerce.

Judging will take place on **Sunday, September 20th** at noon.

THEME: Dožínky through the Ages
